The Fourth Show!

This is a very large show, many bands, another great opportunity for the best show of the year to this point. Bring warm clothes for after the performance. This will be our last multi-rehearsal day for the 2011 season, (I know that breaks you up inside), so let us kick some rear-end all day!!!

Remember: 1. You are representing your family, your band and your school. 2. You are always performing from the time you get off the bus at Logan until you board the bus to leave. 3. Every band member from every school should/will respect you if you respect them. 4. Proper uniform etiquette. **5. Clean-up after you eat!**

Things you need to remember to bring: gloves, LONG black socks, white long-sleeved t-shirt, shorts for under your uniform and marching shoes. I know you will not forget.
