The First Show!

Here we are sports fans, the air is free and so are the applause, drink it up! This is a small stadium but a huge opportunity for us to show off our level of performance. Call is 9:30 so you should not have a hard time being up and ready for our big day. We need to make sure we are on time ready to go with a positive attitude and an open mind.

Remember: 1. You are representing your family, your band and your school. 2. You are always performing from the time you get off the bus at Gilroy High School until you board the bus to leave. 3. Every band member from every school should/will respect you if you respect them. 4. Proper uniform etiquette.

Things you need to remember to bring: gloves, black socks, white long-sleeved t-shirt, shorts for under your uniform and marching shoes. I know you will not forget these things because you are all responsible adults.
