

Let's Raise Funds Without Fundraising!

When you use the **Benefit mobile app** to pay for your everyday purchases at these retailers, Benefit gives OGBB a percentage of your total purchase price! You buy things that you'd buy anyway, but when you pay for them through Benefit, you help the band and guard at NO EXTRA COST TO YOU! You pay and Benefit gives!

Let's Get Started!

1. Download the Benefit mobile app (look for the pinwheel!) and set up an account.
2. Choose a Beneficiary. In the Non-Profit group, search for Oak Grove High School Band Boosters.
3. Choose a Payment Method. Enter your checking account (for a higher donation %) or credit card. To protect your security, Benefit places two small credits or debits (depending on your payment type) of less than \$2. When you receive them, enter the amounts in the payment verification screen in the mobile app. This verifies your account and you can now use Benefit to shop!
4. Start shopping! (Start small the first few times, and then make bigger purchases.)

Help the program by paying for your everyday shopping through the Benefit app!
