PARENT CHAPERONE QUESTIONNAIRE

8. What would you do in the following situations?

Situation #1

The students in your group would rather go to McDonald's and shopping than participate in one of the provided walking tours....

Situation #2

Two of the students in your group have just broken up and absolutely refuse to be near each other...

Situation #3

You feel some of the rules that Mr and Mrs Moura expect the students and the chaperones to follow are ridiculous and a bit overkill...

Situation #4

Your chaperone partner is only paying attention to their own child and not helping with the group as a whole...

Situation #5

You find yourself very tired and you just don't want to be bothered...
